Bucklen's Arnica Salve Wins.

Tom Moore, of Rural Route 1, Cochran, Ga., writes: "I had a bad sore come on the instep of my foot and could find nothing that would heal it until I applied Bucklen's Arnica Salve. Less than half of a 25 cent box won the day for me by effecting a perfect cure." Sold under guarantee at all druggists.

Twelve hundred dollars has been raised by citizens of Boynton for the purpose of erecting a Methodist church. Work will be commenced on the building at an early date.

Thinks It Saved His Life.

Lester M. Nelson, of Naples, Maine, says in a recent letter: "I have used Dr. King's New Discovery many years, for coughs and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung complaints, and would no more be without a bottle than I would be without food." For nearly forty years New Discovery has stood at the head of throat and lung remedies. As a preventive of pneumonia, and healer of weak lungs it has no equal. Sold under guarantee at all druggists. 50c and \$1.00. Trial bottle free.

The agitation for a fifty-room hotel at San Mateo has received a great impetus by the offer of an interested party to take stock in the proposed company to the amount of the lumber required for the building. This would be equivalent to from \$12,000 to \$15,000.

Born in Iowa.

Our family were all born in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—ENNIS BROS. This remedy is for sale by all druggists.

A New York paper asks: "Can a woman dress on \$20,000 a year?" Well, we should chuckle! We know of one poor country editor's wife who dresses on \$5.00 per year, and she always looks neat and tidy, too. And she raises this amount from the sale of chickens. Isn't such a woman a jewel, and worth a billion of dollars to any man?—Jasper Banner of Liberty.

Silcox-Futch.

At the home of the bride's parents Mr. and Mrs. S. F. Futch, in this city on Sunday evening, last, at 6:30 o'clock Mr. Jesse A. Silcox and Miss Leila Futch were united in matrimony, in the presence of a large number of friends.

Notary Public Locke Addison performed the ceremony in an impressive manner and after congratulations and best wishes had been offered, refreshments consisting of ice cream, cake chocolates and wines were served.

Both the contracting parties are well known here, the groom having been reared in the community and the bride having resided here a number of years.

They will continue to make Punta Gorda their home.

A large number of friends unite in wishing them a happy wedded life.

ALEXIS.

Card of Thanks.

I beg to express my sincere thanks to my supporters in the primaries and to say I appreciate their honest efforts for good. I also feel honored by the enemies I have made. I hope all will now devote their energies to the cause of deep water in our beautiful harbor.

For a Sprained Ankle.

As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may be effected in many cases in less than one week's time. This Liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by all druggists.

The immense sea wall which is to surround Fort Pickens, near Pensacola, will cost \$236,000.00 and the work of construction will commence at an early date. The building of this sea wall is the greatest undertaking since the construction of the Galveston sea wall.

A Grand Family Medicine.

"It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan of No. 436 Houston St., New York. "It's a grand family medicine for dyspepsia and liver complications; while for lame back and weak kidneys it cannot be too highly recommended." Electric Bitters regulate the digestive functions, purify the blood and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at all druggists 50c.

Nine whales varying in length from 30 to 40 feet which were stranded on the sand bar at Mosquito inlet, near Daytona recently, proved a great attraction to the inhabitants of that neighborhood, hundreds of whom viewed the unusual spectacle with much delight.

No Need of Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by all druggists.

PEOPLE WE KNOW.

They Are Punta Gorda People, and What They Say Is of Local Interest.

When an incident like the following occurs right at home, it is bound to carry weight with our readers. So many strange occurrences go the rounds of the press; are published as facts, people become skeptical. On one subject skepticism is rapidly disappearing. This is due to the actual experience of our citizens, and their public utterances regarding them. The doubter must doubt no more in the face of such evidence as this. The public statement of a reputable citizen living right at home, one whom you can see every day, leaves no ground for the skeptic to stand on.

T. R. Jones, City Marshal, Punta Gorda, Fla., says: "I often had such severe pains in my back and sides that I could not stoop or bend in any direction. The kidney secretions were unnatural in appearance and so irregular in action as to cause me much annoyance. When I saw Doan's Kidney Pills advertised I procured a box at Watkins' drug store and began their use. The first few doses relieved me, and before long all signs of kidney trouble had disappeared."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

And now look for a change in the weather, with the resumption of the sparkling summer showers which make the summer of Florida a constant delight and at the same time rejoice the hearts of the agriculturist and fruit grower.—Tampa Times.

Governor Broward and Mr. Stockton have accepted their defeat gracefully.
